CLUB PATRON WELCOME

After 12 years of Presidency, Scott Beard has his final welcome in the Match Day Programme to start off 2025,

Welcome to the fields of green and to the first home game of the 2025 Lotto NRFL Championship. This weekend we welcome Paul Marshall and his Onehunga-Mangere team, along with their U23's, along with coaching staff and supporters.

Last week saw the Coast team away to Hamilton Wanderers for the first game of the season, where the team suffered a 0-4 defeat. It was only the first game of the season and I'm sure the team will be better for the loss, and will look to put on a good performance in front of their home fans.

Our Womens Premier league team started their campaign last week with a 1-4 loss to West Coast Rangers, tonight they play Fencibles at North Harbour Stadium.

I would like to acknowledge the officials for this weekend's game at the Coast. I also welcome all the Coast supporters. Being loud and parochial is fantastic. Remember, like the players and coaches, the officials aren't always going to get it right, lets all show a bit of respect for a thankless job at times. Remember RESPECT THE REFEREE.

Sponsorship is key for any Club. A big thanks to all our sponsors especially our Platinum sponsors: GJ Gardner Homes; Hiway Stabilisers; Safety Nets NZ; Barfoot and Thompson, Cranefields Automotive, and our very own HBCAFC Business Network Group. The Club is forever grateful. See the programme for the Gold and Business Partner Sponsors. Remember any time you go into one of our sponsors, mention you are from HBCAFC. Sponsors need to know their support is working and beneficial.

Come On You Greens.....

WOMEN'S SPACE

Last week, we kicked off our season with a tough away fixture against West Coast Rangers. The girls gave it everything and got off to a dream start, with Sian Field finding the net early. Despite a determined effort throughout, we ultimately fell to a strong West Coast side. However, the most encouraging takeaway was seeing the team apply the principles we've been working on in training. Our goal this season is to play as close to a national league standard as possible, and this match was a valuable test against one of the top teams in the country.

Beyond performances on the pitch, what makes this group special is the environment we're building together. The versatility within our squad is a huge asset, and the support from our wider community has been incredible—especially with the engagement on social media. A massive shoutout to Molly Flynn for all the hard work she's put in to make that happen!

Lastly, we want to send our best wishes to Ruby Gillum, who recently suffered a serious knee injury. The entire team is thinking of you Ruby and we can't wait to see you back out there soon!

Thanks,
Women's Premier Coach
Caleb Ward

MEN'S SPACE

Welcome back to Stanmore Bay to all our supporters as we prepare to take on Onehunga Mangere in our first home game of the year!

A warm welcome to Onehunga Mangere, to their staff led by Paul Marshall and to their players we wish them the best of luck for the season. Last season the Mountain Men were a tough team to break down in the NRFL Division One, with both clubs winning against each other away from home.

We are looking forward to the challenge!

Last week we took on Hamilton Wanderers who have dropped down from the Premiership. The game was extremely competitive for the first 65 minutes until we were caught on the counter and punished clinically by an effective Hamilton side.

The boys are excited to set the record straight and show the league what we can do.

A massive thank you to all supporters and sponsors, it was great to see a big crowd and the juniors walking out with the team!

COYGI!
